Mentorship + Guidance

It is provided by a separate mentor.

Student Analysis

Mentor will make the first call to student and try to know the current status of learning, past performance, goal which student wants to achieve and analyze his/her current preparation mode

Personalized Curriculum Planning

Based on the student analysis, the mentor will make a personalized curriculum for the student

Daily Video Conferencing (Monday - Saturday)

This video conferencing will be with 4 other students. The meeting time will be decided with the agreement of the student and mentor. In this conference, the mentor will discuss

1. Daily Task Assignment: Daily tasks will be assigned to the student by the mentor
2. Concept Clearing: Any concept, where the student is struggling to understand will be cleared by a mentor

3. Tips and Tricks: Tips and Tricks will be shared by the mentor to improve the performance of the student
4. Motivation: Mentor will motivate students to reduce their pressure

PCM Doubt Solving

1. We provide separate **Subject Matter Expert** (SME) for Physics, Chemistry, and Mathematics
2. Doubts will be solved up to boards, mains, and advanced level from any book
3. Tips and Tricks will be shared to solve questions in less time

Regular Test Series by UnchaAI

1. These tests will be conducted to preparing you for Boards, Mains, and Advanced exams
2. In-depth analysis will be done by your mentor to make your weak zones stronger and your curriculum will be modified based on these tests

Regular Webinar Sessions by IITians

These webinar sessions will be conducted by IITians where you will get the opportunity to interact with them and clear your IIT-related doubts. In these webinars, IITians will share their experiences, stories, IIT life, and post IIT life. These sessions will give you a broader perspective to look at life.
